SLUTTY TO THE CORE!

Dear FOX Magazine: Damn, those bitches you get to pose for you are super fine! What I wonder is, are they like that all the time? Like willing to take it in the stink when there aren't any cameras around. I once knew this girl who was real good at acting real wild as long as people were giving her attention and snapping pics but once it was just me and her behind closed doors I could forget about giving it to her any way but the regular way with me on top and her on her back and shit like that. What I am also wondering is, do you have to pay them extra or some shit for them to pose all freaky deaky? Or are they doing it be-

cause they are slutty to the core and just cannot help themselves? I need to meet myself a girl like that, one that is slutty to the core on a consistent basis. —Shaven via email

WHAT A SHOWBOAT

Dear FOX Magazine: I love showtunes. I am not a homosexual, but I do have what might be considered a homosexual's appreciation of musical theatre, showtunes in particular. Are there any girls in the adult industry that share my passion? I know it is not very "cool," but it struck me that the women who make XXX movies for a living are used to going against the grain, and if, miracu-

lously, one of them enjoys showtunes she might not be afraid to enjoy them publicly because, essentially, who cares? Porn stars are used to doing uncouth things in front of cameras and such. What is a little public enjoyment of showtunes compared with sucking six guys off at once, for example? Or getting fucking in the pussy and the asshole at the same time by two different men? I have a humble request to make, FOX editors. Should any one of you ever encounter a porn girl who happens to enjoy showtunes—I mean really enjoy them—then won't you please pass along my information to her so that she might get in touch between projects or whatever? I appreciate it thanks bye. —Al in TN

LIKE WARM COOKIE DOUGH...

Dear *FOX*: Lily Carter! My god! Now that is a woman I'd leave my wife for! Actually, I'm not currently married, but I'd happily get married only to have someone to leave if I thought that Lily Carter might grant me five minutes alone with her. I mean, I'd definitely fuck her for longer than five minutes but I'm guessing she's pretty busy so five minutes might be all that I'm able to get so I'd better brace myself for that and anything beyond will be pure butter. She looks a little like this goody two shoes girl I used to want to bone back in high school but of course I never did because she was so prim and pure and proper. Instead I fucked a girl from my chem class who wasn't very good looking but she was easy and sometimes that's all that matters, you know? That Lily Carter has such pretty pale skin and I know she smells good, like vanilla maybe, all the time even if she's real sweaty. I know her cunt never smells bad, not like some of the other cunts I've smelled in my lifetime. I bet her cunt smells like warm sugar cookie dough and that's what it tastes like too and I'd eat her out forever if she'd let me.—*Douglass in CO via email*

THE ART OF THE FINGERBANG

Dear *FOX*: I think fingerbanging is an unappreciated art. I can't tell you how many times I've

made a girl cum just from fingerbanging alone. It's a skill I've worked hard to develop over time and I'm quite prod of my abilities. Some girls seem sort of surprised when I want to stick my hands down there instead of just diving in dick first but with my fingers I can gauge how excited she really is and make her wetter if she isn't already wet enough or just prolong things if I feel that she's the type to leap up and leave after getting fucked. Ideally I'll make her cum once or twice with my fingers before getting down to the main event. With a couple of orgasms under her belt any girl is more relaxed and more receptive to any suggestions I may have such as allowing me to sneak a finger into her poop chute while we ball. By that time she's feeling good and she knows I know what I'm doing with my fingers so she's way more likely to agree to me poking the rosebud, and I don't know why but I orgasm so much harder if my dick is inside someone the same time my finger is, I guess I'm just weird like that. I really like how their buttoholes spasm around my knuckle when they orgasm, it's such an intimate thing.—*Billy in Wheeling via email*

DOES THE TAIL MAKE THE PIG?

Dear *FOX* Magazine: You know, I don't much like seeing pigtails on these porn gals. To me, there

ain't much sadder than seeing a grown woman in pigtails. Even if she happen to be flashing her snatch at the same time.—*R. in UT*

ELEGANT, YET DEPRAVED

Dear *FOX* Magazine: I've never been fond of Asian food and I'm not much for Asian girls, neither. I mean, I see some good looking ones from time to time but they aren't really my cup of tea if you know what I mean. But whoa Nelly, that Asa Akira is a different story entirely. I don't pay no mind to what she is, aside from sexy. Something about her eyes...she looks kind of elegant and depraved at the same time. When I look at her, I have a mind to take her out to a nice play or something and then fuck her up the ass in the restroom. Just pull her nice dress right up, bend her over the little sink area and fuck her right up the ass. Then we could go back out to our seats and watch the remainder of the play while my jism leaks out of her ass. That's what I think a lady like Asa Akira deserves. A nice night out with a decent ass fucking involved. Why, that scenario might even make a nice photo set for *FOX*! At any rate, I'd make sure to get us seats up near the front of the theater, because I'm sure she's accustomed to only the finer things.—*Mikal in FL* 🐱

DIRECTOR
JIM POWERS
SLUT 'N' PUPPET
NOVA BROOKS, MR. PETE
PIXXX & ARTICLE BY JEFF HUBRIS

33770

Here we are in the middle of the desert several hours from Los Angeles, far away from the condom cops and, for that matter, law enforcement of any sort. It's a barren, lawless place where porn hooligans are left to gallivant unhindered by the iron boot of organized society. A hot wind blows strong across this wasted land, acting as yet another player upon the stage of porn stupidity where Hall of Fame director Jim Powers conjures up one more inane adult film industry scenario. Yes, on this day Texas bad girl Nova Brooks and the great Mr. Pete will lock genitals in porno HOTNESS.

The scene is sandwiched in between a number of others and will employ the back of an open pickup truck as a mobile fucking platform. Yee haw! Powers feels the need to blow through this thing quickly, battling with the ever decreasing great American frontier sunlight and a cooling arid wasteland.

"Mr. Pete is driving down the highway and he sees this broken down car," he explains hastily. "She's with her father and the car has broken down so the girl hitchhikes to get a ride. So Pete pulls over and he doesn't have a phone so he offers to take her fifty miles to the next town so she can make the call. So the dad goes no problem, but his daughter's a little whore who wants to fuck as soon as she gets in the car with a stranger. So she says 'I love the desert, so pull off somewhere so we can fuck.' That's basically this story, her leaving her father alone in the middle of the desert."

True to casting, this Nova Brooks is a handful. She's been doing porn for several months after working as a "go go dancer" in Dallas.

"I started doing porn on my nineteenth birthday," she says. "I'm only mostly with girls. I just started with girls at the strip club. Sometimes I like guys when I need them but most of the time I'm just with girls."

She responds to questions sparingly, offering just a few words until I hit on a subject of great personal enthusiasm. Alcohol.

"I have to drink really strong stuff like whiskey or something," she says with renewed interest. "I drink like every night at home when I'm back in Dallas whenever I go see my friends. I don't go to bed until eight in the morning and I have to drink really strong drinks because I drink so much and I have really high tolerance. I have to drink like shot after shot of like whiskey or vodka or something. I out-drink all of the dudes. I get drunk quick but not really quick because it takes a lot!"

That settles it. Nova Brooks is playing on our team. Very impressive. Powers shoots the set-up, feeding lines to Pete and Our Miss Brooks until the pickup is brought to rest along a dusty back road. He shoots a segment of her dancing around in a field naked and I enquire as to the thematic significance of this act.

"The idea is that when she gets away from her dad she just wants to fuck anything that moves," he says. "So she just jumps inside his car and starts pulling off her clothes and is like, 'FUCK ME, MISTER!!' She's running around naked and, next thing you know, she's fucking!"

This is ART.

A carpet and some blankets are thrown into the pickup bed for a bang out surface and after a BJ, Nova climbs on cowgirl. There are some stops and starts to adjust for the wind and some other distractions, like Powers constantly yelling at his Production Assistant Adam to bring some water bottles from a house a few hundred yards away. It's an arduous process.

NOVA BROOKS: Right out of high school I ran a day care. I was like, I'm going to go to Dallas and dance, so I did. Right now I'm just doing a lot of porn. I've done like over twenty scenes and I've only been shooting for like three months. Porn was easy for me. I wasn't nervous or anything, it was natural. I'm visiting, I got here a few days ago and I will be leaving soon. ...I haven't done a DP yet. I've done a DP with a guy and a buttplug but not two guys. I've had some guys who can really, really eat pussy. I think they might be better than girls. ...I like all kinds of sex. I like it rough to get me off. I do choking. I do anal like crazy. I do a ton of anal. It just takes a little bit more to get used to it at first, but it's just as good. I've done it once with a girl but I like it better with the real thing. ...Whenever I go back to Dallas I just go-go dance and party. My mom knows I'm doing porn. My mom's okay but my dad is like a Christian preacher. My dad is Brazilian and my mom's white. ...If I want to go out and fuck someone then I'm just going to go and do it. That's how that is. If I see someone that I just want to fuck I'm not going to stop myself from doing something I want to do. I just do it. I got pregnant on absinthe and tequila once. I got offered absinthe and tequila again and I said, no I'll just take the tequila. I drank so much tequila the other day I threw up everywhere. I said no to both though. I just passed out after I threw up. I'm a happy drunk. I'm not a mean drunk. The other day when I was passed out on tequila my girlfriend stabbed her boyfriend and the cops came. Really, she tried to kill him. Now she has an Attempted Murder charge, and we just went to jail together about a week ago. I got caught when somebody was handing me a Molly pill. I had one in my shoe already and I was just getting one for her and they saw me and then I got a PI because I was drunk.

"All right!" Powers yells. "Passion! Let's make it hot! Intensity!"

Nova delivers a very decent porn fuck to Mr. Pete. All the positions are COMPELLING but the cowgirl, reverse and the open spoon surface as the stars of the show. She jumps into position and takes a load in the face. Pete produces all the way through, and on cue for the pop under adverse conditions. No surprise there.

The ability to plow through potentially non-libido enhancing porn circumstances is a definite advantage, if not a necessity for a sex "performer." Whether Nova Brooks stays in porn or not, judging from this brief interlude, she knows how to party and runs at a freak level, highly sexual RPM. All systems go.

"I don't even have to touch myself to get off," she says laughing. "Actually, this is going to sound really weird but I can just cross my legs and I get off. I can get off like multiple times in like seconds by just crossing my legs! I've done it everywhere. Everywhere!" 🐱

When a girl gulps down copious amounts of dick for a living, she runs the risk of falling victim to a severe case of the meat shakes. Currently there is only one known remedy, and that's for the afflicted to maintain a strict vage-only diet for a solid month—a major bummer for any budding cocksucker's career. Rising porno superstarlets Holly Michaels and Natalie Heart have taken out skinsurance against the pesky tubesteak tremors by meeting up weekly to smooch on each other's snatch. Girl on girl action is always hottest when it's motivated by more than mere Os. These babes suckle and slurp, fondle and finger, nibble and sigh, in the noble name of better XXX health. It's wise of these sex kittens to nip the little man in the boat before a problem arises. After all, an ounce of pussy pleasing prevention is definitely worth a pound of cure.

FOX
PORN PIC
OF THE YEAR

TARA LIPSON
FOX

What does the Foxx say? Well right now Tara Lynn is screaming "whee whee whee" all the way home, orgasmic with excitement at having been branded PORN PIG OF THE YEAR! As always, it is a distinction that is well-earned and one unbefitting of a dick dilettante. Only the worthiest whores are awarded for their porking prowess, and TLF has laid claim to her rightful place in the pen. From her very first on-cam fuck scene Tara Lynn has gone whole hog, felling woodsmen and fellow co-slits alike with a voraciousness befitting a starving beaver in heat—munching box, chowing bung, slurping scrot and savoring the bones. What a woman! She looks like a goddess, ruts like a sow, and wallows in delicious depravity with the sweetest of smiles. There's nothing kosher about this juicy little slut which means that as far as guilty pleasures go, Tara Lynn Foxx is better than bacon. 🐷

TURBO-D

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

SLUT 'N' PUPPET
LIZZ TAYLER, MICHAEL STEFANO

PIXXX & ARTICLE BY JEFF HUBRIS

56

33771

With only a few years of porn performance experience, Lizz Tayler has become a porn LADY, having forsaken her skinny little girl nubility for a full blown, honkin', sex goddess profile.

"I became a woman in porn," she explains. "I put on some weight, I got a booty finally. I grew into my womanly figure. It's the weight I'm trying to gain. It's good weight."

As the extremely well-regarded porn journalist that I am, unlike others who have not properly mastered their ability to analyze and evaluate the porn girl body by getting lost in blind, lustful idolatry of the naked female form, I tell it like it is. Also, I'm a total fucking pig and not prone to puffery just because I have a politically correct, bribe accepting editor to please—which I don't. That being said, I totally agree with Lizz Tayler's fearless personal inventory. This body doesn't suck.

Tim Von Swine is shooting the quaintly named pre-sex scene "pretty girl" pictures. Mr. Von Swine is in the habit of cutting away all tinsel from his stream of consciousness commentary on porno and the human condition. He will be shooting and choreographing the boy/girl sex scene taking place today between porn male-talent legend Michael Stefano and Ms. Tayler for the rack glorifying *Boobaholics Anonymous 8*.

"I hate photos but she's great," says Von Swine. "You can't take a bad picture of her!"

Lizz runs through spread pussy poses on a brown divan, naked except for white high heels. Swine dutifully clicks away in rote standard operating procedure.

"I'm not a photographer," he says cynically. "I'm just a guy who takes pictures on a porno set."

Wow! So am I. Truth is truth that destroys self grandeur. I should have said that.

Swine hoses down the pool deck and summons Lizz and Stefano outside to shoot the tease. Video rolls and the bikini top comes off. Stefano enters and the romance commences with a make out session followed by boob glorification, a pussy massage and then Lizz drops to her knees for a blow job/tit massage. Then she grabs Stefano by the hand and shuffles him inside with his jeans at his ankles.

"I'm going to start off talking to you and stuff and if he wants to do a little POV he can," Swine says. "I'll hand him the camera. It's up to him but at some point I'll just back off and go long for the ride."

Stefano is an AVN Male Performer of the Year award winner and was inducted into the AVN Hall of Fame in 2010. He left the country but returned and began performing again as if no time had passed. At the risk of sounding non-cynical and genuine, which makes me vomit to myself, no more can be said about this porn dude who has always been a totally relentless porn performer artist from the beginning.

The bang out takes place on a partially protected from airborne effluvia, semi-sheeted porn sofa. Swine lets them roll through several positions, letting Stefano lead the fuck, then takes a break to shoot hardcore stills before the pop. "She's so brutal," he says while she visits the bathroom. "Just so good. When we come back from pictures we'll do spoon. Then whatever you want to do after spoon will go to pop. We'll get it there and we're done. You guys are killing it. We're running right through this like butta, dude!" Stefano responds with a simple, "Killin' it!"

LIZZ TAYLER: Before I got in porn I would think oh that's so gross I could never do that, but now after I do certain things that I used to think were gross, I just think they're fucking hot now. I like more than I thought I would like and I'm way more freaky and way more sexual in different ways. I like certain positions that I never did before. Now I'm like oh I love it. You just have to have the right partner. Like boy/boy/girl and blow bangs. Tim directed me in my first blow bang. I thought it was fucking disgusting before I did it but in the middle of the scene I'm all like I have four guys around me and all their dicks are hard and there's just one me and it turned me on to know just me can get all these guys hard at one time. It's being the center of attention. Just being with multiple guys. ...It takes less to get me off now than before because I got comfortable with what I'm doing and I'm comfortable with who I'm working with, you know? Like if I've worked with someone five times, they know how to get me off and are used to my body and I'm used to what they like. You just get comfortable and you just don't give a fuck. I'm getting off! ...Chemistry makes me cum. When I'm being fucked I have to be in missionary. That's the only way I can cum. When I'm being fucked and I have clit play at the same time, that makes me cum. I like watching it go in and out. That's hot. ...I can get myself off in thirty seconds, I play with my clit and I will fuck myself inside for like two seconds and then play with my clit again and then I'll come. I can make myself come faster than anybody can because I know what I like. I hate, hate, hate the Hitachi, because it hurts and makes me numb and makes me lose sensitivity down there. I can use my hand and get myself off way faster than that wall powered thing can. When I'm fucking I get off when I think about fantasies that I like. When someone's being very non-submissive to where I'm in control and I'm doing you. I like being in control...I'm a complete control freak.

LIZZ: I love girls, I have a girlfriend but the porn side of me loves getting all of these boys off. It's like a different life. ...I lost my virginity when I was eighteen to a girl. I noticed girls before I noticed guys, before puberty or any of that I was always attracted to girls. It was in my nature. ...I'm a domme, I am always in control. My girlfriend is a "civilian." She's a lesbian. She knows I do porn and my excuse to fuck a guy is because I do it in porn and I get good sex. I still like to get fucked by guys. With my girlfriend I use a strap-on and I play the boy. In a relationship I like girls better, but I like threesomes the best, like a girl and a guy. I've done anal in my personal life once with my girlfriend. Her thing was, you give all these guys what they want on camera so now I want something that you never give anybody. I was like, well...you can have my ass! Porn romance! She did it with a strap-on and her fingers and her tongue. There's this crazy chemistry with her. It's more like the emotional aspect of it. You can have my ass because I like you. ...Erik Everhard and I worked together a lot. Every time we work together he says I have the most silky pussy that he's ever had in his life. Obviously it's silky, whatever that means. I'll ask guys, do I have a silky pussy? And they'll do a few pumps and go, yeah you do! I'm like, is that good or bad? They always say it's good. I guess some girls are like rough inside. I fuck guys on camera but off camera it's just me and my girl. I'm faithful. ...I've definitely hardened my shell. There are a lot of shitty people in the industry and there are a lot of good people. I've learned how to distinguish the shitty people from the good people and I don't burn bridges with anybody but I'll keep a distance from everybody. You don't want to get too close because everybody, no matter who you are, is in this industry for a reason. People in this industry are not "normal." ...If I settled down with a guy he would have to be a pretty fucking amazing guy. I'm a girl and I connect emotionally with girls and I know what a girl wants and give what a girl wants. I dated a guy probably nine months ago. I was with him for like a month. ...I'm just a normal person. I hang out with my normal civilian friends and I travel. I smoke a lot of weed and hang out with porn people too. I watch TV. Stuff like that. At a party I'll have one or two drinks but I'm always the one in the corner smoking weed. All of my friends from home in Georgia are all like married and are on their second kid now and we have nothing in common. I'm like the town hero and everybody knows what I do. I come from a fucking Cowtown. There's nothing there except a Burger King. I had to get the fuck out of there. What is there for me? Nothing. ...I got that tattoo before I got into porn. Briana Banks was like my Jenna Jameson growing up. I used to watch a lot of porn and I still do. Older porn like from the early 2000's. It's more sensual and it's more chemistry. It's not like five positions, bam bam bam and you're done. You can tell that it's more real. Now it's just like any bitch can do it, you know?

After the stills they rip into a high rep spoon fuck and a couch BJ. Lizz goes to her knees on the floor and takes the load in and around her mouth. When it's all over Swine comments that there are so many cum-averse youngsters among the new crop of girls.

"I would never even before porn have sucked a dick, have them come in my mouth and then spit it out," Lizz says seriously. "I think that is the most un-classy, trashy thing to do. I don't spit, I always swallow. I don't cum dodge either!"

No further interpretation is required from here on out. She cleans up a bit and then Swine shoots a final interview. There's some conversation and nothing is wrong because this last scene shot for *Boobaholics Anonymous 8* was way super prime.

"[Stefano] was awesome, amazing," she says. "He was old school. That's why I like him. He's been around and he knows how to work. Some guys are like problems, and they don't know what to do."

Non-discriminatory hater Von Swine is unusually verklempt: "Wow!" he says admiringly. "The amazing face, tits, body and style of Lizz Tayler. I'm out of words. I'm so glad you're in the movie and I'm so glad you came down and I got to see you again. We love you!" 🐱

THE 4th ANNUAL

SPANK BANK AWARDS

by @Gabriel_lan

Once again, the world's finest porn stars descended on Nowhere Special, USA for the 4th annual Spank Bank Awards*, and for the 4th consecutive year a world record was broken. This time for the "World's Longest Daisy Chain," as an all out lickfest of epic proportion ensued, featuring the sexiest sluts in the adult industry all over each other's lady parts on the red carpet before the show even began.

As always, our host was the lovely and talented Ashli Orion. Not even retirement could stop Ashli from emceeing the show where she has won the most awards all time, as well as entertaining the audience with her acclaimed butthole. Ms. Orion also had her renowned trained cats on hand for a live performance that wowed the crowd. Ashli later received lifetime achievement awards for both oral and anal birth control.

A record number of awards were given out to a record number of dirty whores, but several girls in particular battled it out for virtually every major award. Penny Pax, Casey Calvert, Jennifer White, Bonnie Rotten, Sheena Shaw, Andy San Dimas and Ash Hollywood ALL attempted to stake their claim to Slut Supremacy in 2013, but who came out on top? For your viewing and reading pleasure, FOX presents the 4th Annual Spank Bank Award winners:

*Spank Bank Awards are voted on by a panel of porn critics (me), noted adult film connoisseurs (me), outside adult industry media insiders (me), X-rated film fans (me), and a committee chairman (also me.) Nominees who entice or influence the panel with any form of "sweet talking," "sexual innuendo," "buttering up," or outright allusions to sexual favors greatly increase their chances of winning.

PARTY WITH RIKKI SIX 2

IMMORAL PRODUCTIONS

DIRECTOR
PORNO DAN

SLUT 'N' PUPPETS
RIKKI SIX, HOLLY TAYLOR,
PORNO DAN, IKE DIEZEL

PIXX & ARTICLE BY JEFF HUBRIS

33765

Rikki Six came out of nowhere—or, to be exact, Riverside, California—with her thin frame, extreme bloneness and porn girl cosmic vibration. Not a cum dodger and blessed with the ability to give and receive a real pounding, she quickly became a regular at the Immoral Productions porno ridiculousity factory. And she even likes it.

"It's really chill here," she says. "It's not uptight and I can be my ADD self. It's just fun and it doesn't really seem like work even though you get paid for it, which is cool. I just like the people and the atmosphere and just everything. It's not so serious. When people are so serious I just want to tell them to lighten up and have some fun and put a smile on!"

Porno Dan came out of nowhere also, and eventually grew into whatever force he is at this point by basically not giving up. There are life lessons to be learned from Porno Dan, the kind you will find espoused in self-help books and sales seminars that advance the blessings of perseverance and a certifiable, retarded belief in self. Just ask him, he'll tell you all about it. This fucker keeps making it up as he goes along, fucking thousands of girls in the process and now some industry elements show begrudging respect by looking to him for advice and expertise. I know...it's amazing.

After testing out Rikki Six he thought highly enough of her to make her a "host" of sorts for her own porno web-cam party night.

"She's as happy and sweet as Kaylee Hilton, as crazy sexually as Tanner Mayes and as pretty as Britney Amber, all wrapped up in one!" Dan says gleefully into the video stream cam with his arms around a naked, glowing, tiara wearing Rikki, and the similarly shining, tiara sporting Holly Taylor, a laid back ex-Hooters girl who has been brought in as a guest "performer" for the next two hours or so.

"Holly, why don't you sit on my face and Rikki can start sucking my cock and we can let the fun begin!" says Dan.

And like cuckoo clockwork, Holly pulls up and sits down on Dan's head while Rikki hits her knees and starts blowing. This is the "work" part of just another day at the office for Porno Dan. Oh, the tedium.

Dan dons a tiara and fucks Rikki, switches over to Holly, and then calls in Ike Diesel to make an insert in Rikki's kisser. Both girls ride the dudes side by side in cowgirl on the trademark Immoral porn couch. That couch sees a lot of porn miles, ladies and gentlemen.

RIKKI SIX: I'm from Riverside, California. I'm twenty-two. Before porn I went to school for dental assisting and I finished that. I went to school for nursing and I halfway finished that but I did enough to get my medical assisting. I kept the getting bored with everything, I was stripping in the meantime. I get bored easily so I really can't have a normal job. This is like perfect because it's something like different every day. And new people all the time so I don't get bored. Porn is fun. ...It was kind of like me and my best friend were always kind of crazy. I call her my twin because we're exactly alike. We were always having threesomes in high school and we would do on random crazy stuff. I'm never shy, I always ran around naked. We would like go stripping down our street in the nighttime. ...You have to play with my clit a lot. Any domination gets me off. Being tied up and choked but not so choked but I'm not breathing.

Loads are blown and then the ladies get it on with and without vibrators. During a break the girls answer a few questions from some of the viewers who are hungry for personal information. "Do I want a boyfriend?" Rikki Six says looking at the computer screen, "No! They would annoy me if they were too patient and they would annoy me if they kiss my ass so it wouldn't work." The viewers press for more dirt. "I'm really submissive so I would need a dominating guy," she answers, "But I need like a really tall masculine guy. But I like girls because they can lick my clit better!"

The fucking starts again in doggie and then in missionary Dan blows another load on Holly Taylor. He takes a toy, applies it to her panic button and uses some G-spot plunging which ends up in a wet orgasm. Ike gets blown to a pop by both gals and Dan morphs into carnival barker mode, sitting between both girls to thank the audience for "cumming". A few minutes later while the girls are packing up, it's a time of reflection. "I love your nipples," says Rikki Six, "It makes me want to pierce mine." Holly Taylor thanks her and takes a drink from a red to-go cup. "I had at least five or six orgasms in that scene," she says, "That's like only the second time I've squirted in my life. First time I squirted I didn't understand it. I didn't know what it was. I was masturbating and I'm not sure how it happened but it happened!"

HOLLY TAYLOR: I'm from San Diego. I was originally a Hooters girl. I was also a bartender and a waitress and a dancer. I was going to school in cosmetology and I got in a car accident which stopped me from going to school and I never thought I could dance again. After about a year or so one of my girlfriends started porn and I was an extra for Brazzers and I saw her scene and it really turned me on. I'm a very sexual person. I like pleasuring people. I like to lick pussy, but I like both girls and boys. I like doggie. I just like the way it feels. I can get myself off in like two minutes. I just rub my clit. I like a vibrator but if I don't have one I'll just rub one out. It depends on the guy but I do cum a lot. I don't like huge, huge dicks. It can be hot when they're a little bit rough but I don't like it when they are just drilling away. I do anal in my personal life but I haven't done it on camera yet. I can get orgasms from anal. I just rub my clit.

RIKKI: I get off more when a guy licks my pussy than during sex. For me to get off from fucking I have to be on top. If I'm on the bottom it will work and doggie is my favorite one because I like how it feels. ...I just did an orgy with it guys. That was the most I've ever been with at one time. ...I never really had any compliments on my pussy until I got into porn. They say it's really pretty and I'm not really sure what they mean. They say that it's kind of narrow, especially like when I do a scene and the guy has a big dick they get scared but it doesn't hurt me. ...My first boy girl was like a POV and it was kind of easier. I wasn't scared or nervous for any of them. I liked going from civilian sex to porn sex and there was no like, I wonder if they're going to call me after or whatever. You just go and you fuck, and you leave. And you get paid for it. ...It never has been easy for me to cum. They have to really know what they're doing but if you rub my clit in the right spot I'll cum like that. You just have to find the right spot and some people just can't find it. My G spot is more lower than most people, I've been told. You could try for days and if you just don't find it I just won't cum but when you find it I'll cum like that. The G spot and the clit at the same time is perfect.

Another girl walks through the door trailing a suitcase. Apparently, unbeknownst to me anyway, there is yet another sex show to be beamed out to the great unwashed this evening. More vaginas to be probed, more loads to be blown. This isn't the porn Ritz by any means, or some fancy, foreign-owned erotic art video production conglomerate improving the world with a message of heightened sexual enlightenment. This is a virtual coal mine of sexual labor for the working class. A revolving door for the whore. It's a porno assembly-line. What time is it? What day is it? The girls come and go in timeless regularity. Solid fucking interrupted by varying levels of absurdism and ridiculousity. The world is ending. There may be no other place like this on earth. Who's the winner here? PORNO FUCKING DAN is scamming the universe. 🐱

FREE CURE

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong, erections.
